

## FSA Loans Are Granted Shelby County Farmers

Several Farms Purchased Under Bankhead-Jones Tenant Act In This Vicinity

Mr. Horace R. Ashworth, tenant farmer, who lives on Route 2, Calera, has received notice that his application for a loan to buy a farm has been approved by the Farm Security Administration, subject to satisfaction of title.

James N. Dennis, county supervisor of the FSA, Columbiana, has instructed Mr. Ashworth to exercise the option he holds on the 135-acre farm he proposed to buy in payment for the property when satisfactory title has been furnished by the present owner.

An 89-acre farm was purchased last week by Mr. J. W. Milam of the Kingdom community. Mr. and Mrs. Milam and their one child expect to move to their farm as soon as their new house has been completed. A new five-room house and a modern barn will be erected.

Mr. Milam will follow a live-at-home program with cotton, poultry and livestock for cash income. The loan entitles the family to advice from county FSA supervisors as to good farming practices.

A 71-acre farm was purchased last week by Mr. Wade Templin, also of the Kingdom community. Mr. and Mrs. Templin and their three children expect to move to their new farm immediately. Improvements will include screened porches, painting, land improvement, and fences for pasture.

Mr. Templin will also follow a live-at-home program similar to Mr. Milam's.

The loans to buy these farms, made possible by the Bankhead-Jones Farm Tenant Act, also include money for erecting new houses, barns, and other out-buildings, and fencing for pastures. Terms of the loans provide for annual repayments over a period of 40 years. Other farmers for whom loans to buy farms recently have been approved in this county include Mr. Houston Fancher of Wilsonville, Rt. 1, and Mr. Elvin Green of Vincent, Rt. 1.

## Officers Elected For Town Forum

Organization of the Town Forum of Montevallo was made permanent at a meeting last week, when a constitution and by-laws were adopted and officers elected as follows:

President, Dr. Gordon McCloskey; vice-president, Mrs. F. P. Givhan; secretary, Miss Anne Eastman; treasurer, Rev. T. M. Davis.

President McCloskey and the other officers have already held conferences to study further development of plans and formation of committees. He states that a few definite objectives for immediate work will be outlined in a few days and submitted to the Forum for its approval.

All of the organized groups in town are asked to name one of their members to serve as a member of the advisory council of the Forum. Also, each of the participating groups will be asked to urge membership in the Forum among its own group membership.

### ICE CREAM SUPPER

There will be an ice cream supper at the home of Mrs. J. C. Rogers Saturday night, July 6, for the benefit of Ebenezer Methodist Church. There will be hot dogs, cake, ice cream, etc., for sale. Come, bring your family and pocketbook. Proceeds will be used to buy song books.

## Edward Ivie Dies Of Injuries In Automobile Wreck

Mr. Edward Lee Ivie, of Marion, formerly of Montevallo, died Friday night at a Birmingham hospital. Mr. Ivie was injured when a motorcycle that he was riding collided with a produce truck. The accident occurred about four weeks ago as he was on his way to Birmingham to visit the air carnival.

The funeral services were held at the First Baptist Church in Marion Sunday, June 30, with Rev. Ralph Gwin officiating. Burial was in the Montevallo Cemetery.

Mr. Ivie is survived by his wife, Mrs. Mary Elizabeth Cox Ivie; one son, Thomas Edward Ivie; a brother, Bob Ivie, and a half-brother, D. W. Cates, both of Birmingham; four sisters, Mrs. Aubrey Lowery, Mrs. D. S. Morrison, Miss Sue Ivie, and Mrs. E. V. Steelman; and his mother, Mrs. W. E. Ivie.

### MONTEVALLO CIVIC CLUB MEETS NEXT WEDNESDAY

The July meeting of the Montevallo Civic Club will be held next Wednesday, July 10, at the Methodist Church.

Mr. J. L. Appleton, newly elected president, will preside.

### SUMMERS-COOPER

Mr. and Mrs. Carl Summers, of Opelika, announce the engagement of their daughter, Dorothy, to Arthur Wiggins Cooper, of Montevallo and Auburn, the marriage to be July 20.—Birmingham News.

### STORES TO CLOSE JULY 4

The stores will be closed all day Thursday, July 4. Everyone is urged to do his trading before six o'clock Wednesday afternoon.

Miss Jewel Jones of West Blocton is visiting her cousin, Miss Nell Wooten. Miss Jones was recently selected as "Miss West Blocton" in a popularity contest in which about forty girls competed.

Mr. Roy Daily made a business trip to Clanton Thursday afternoon.

Mr. Ben Herron of Pensacola, Florida, was the guest of Mr. and Mrs. W. H. Smith and family on Thursday and Friday.

## County Home Demonstration Clubs Hold Dress Revue At Council Rally

The Shelby County Council of Home Demonstration Clubs held their annual county-wide meeting at the Calera School Auditorium Friday, June 28.

Mrs. George Howell of the Dargin Club presided and Mrs. Walter Chancellor of Klein Club was song leader. The pianist for the day was Louise Johnson, a 4-H Club member of Calera.

The highlight of the day was the dress revue in which there were 36 contestants. These contestants were winners of the club revues which had previously been held at the respective clubs. The judges, Mrs. Pauline Rogan, Miss Mildred Meroney, and Miss Mildred Waldrop, selected as winners for the all-purpose, all-cotton dress revue, first place to Mrs. J. C. White of the Klein Club. Mrs. L. C. Clapp of the Dunnivant Club was selected as first alternate, and Mrs. Buster Butler of Pelham Club was selected as second alternate.

Two of the clubs, Klein and Ebenezer, presented one-act plays and Spring Creek gave several vocal selections.

A picnic lunch was served at the noon hour in the basement of the school. After lunch, Mr. Luther Fowler, tax assessor of Shelby County, made an address on "A

### J. S. VEST

Mr. J. S. Vest died Thursday from shotgun wounds. They were said to be self-inflicted because of despondence. Mr. Vest was a retired railroad conductor with 30 years of service. He was a former resident of our town for many years. The funeral was held in Wilton Friday afternoon with burial in Montevallo Cemetery, Rogan in charge.

Surviving are his wife, one daughter, Mrs. W. B. Green of Selma; three brothers, William and Samuel of Wilton, and George Vest of Spokane, Wash.; one sister, Mrs. Lucy Davis of Birmingham.

## Local Girls Attend Career Conference

The following high school girls represented Shelby County at the seventh annual Student Career Conference which met at Alabama College June 26-29: Misses Rebecca Grady, Mary Sue Lee, Julia Ward, Eleanor Reynolds, Anne Appleton, Elizabeth Ingram, all of Montevallo High School; Misses Billie Jean Young and Ora Wolf, of Shelby County High School; and Miss Rebecca Payne, of Thompson High School.

Recommended by their principals as outstanding students, these high school juniors and seniors were invited by the State College for Women to attend the Student Career Conference, where, for three days packed with activity and fun, they met skilled women leaders from many walks of life who discussed their vocational problems with them in order to help these girls pick the type of employment for which they are best suited.

Miss Rochelle Rodd Gachet, director of the College Vocational Advisory Service, planned this year's conference. Miss Helen Shell, of Chicago, was the conference leader and principal speaker. Assisting them were more than 50 distinguished Alabama women who have achieved success in their professions—which ranged from woman dentist to newspaper reporter.

Besides the roundtable discussions with these women leaders, the girls from Shelby County were entertained at a garden party by President and Mrs. A. F. Harman; went on a picnic to the College Camp House; had informal "splash parties" in the college pool; and saw movies especially arranged for them by Alabama College.

### BAPTIST CHURCH

Dr. Pearson will preach Sunday morning on "The Golden Candlestick." The Lord's Supper will be observed. At the evening service moving pictures of mission work in Nigeria, Africa, will be shown. They were made by Dr. Maddy, our Foreign Mission Board secretary, in 1938. The hour for the evening service is 8 o'clock.

Revival services will begin July 14. Dr. W. W. Adams, of the Eastern Baptist Seminary, Philadelphia, will be the visiting preacher. Those who have heard him know that great things are in store for us.

Mayor A. B. Baxley, of Calera, was a visitor to Montevallo Monday afternoon. Mr. Baxley is the Republican nominee for Probate Judge of Shelby County, to oppose Judge L. C. Walker, Democrat, in the November general election.

### Funeral Held For John A. Weems In Union Springs

Mr. John A. Weems, age 68, prominent Bullock County farmer, died at his home Thursday, June 25. He was a brother of Mr. Walter C. Weems, of Montevallo.

He was of a family of 8 brothers and 2 sisters. All of his life was spent at the home where he was born. His father was the late John Andrew Weems, and his mother was Pauline Jeter Weems.

From his home town newspaper, The Union Springs Herald, we quote the following tribute:

"His love of the soil kept him at home when the boys left to make their way in the world. In his farming operations he continued the ways of his father in many instances, but also took advantage of modern methods in bringing to fruition the best the soil could give. Good stock and his pecan grove were the pride of his heart, and he tended with care the flowers that were so dear to his mother and father."

Mr. Weems is survived by six brothers, T. R. Weems, of Mill City, Nevada; Sam C. Weems, of Ponca City, Oklahoma; Walter C. Weems, of Montevallo; and Locke H. Weems of Union Springs; one sister, Mrs. R. G. Irwin, of Miami, Fla. One sister, Mrs. E. A. Lowery, of Miami, and one brother, J. Mortimer Weems, of Birmingham, died recently.

Funeral services were conducted at the Weems family plot in Oak Hill Cemetery, Union Springs, last Thursday afternoon at four o'clock, by Dr. C. W. Northcutt, pastor of the Methodist Church.

Mr. and Mrs. Walter C. Weems of Montevallo and their son, Walter, Jr., of Birmingham, attended the funeral.

### Dr. M. L. Orr Speaks At University Of Arkansas

Dr. M. L. Orr head of the education department of Alabama College, went to Fayetteville, Ark., last week end where he delivered one of the principal addresses at the University of Arkansas Annual Educational Conference. Dr. Orr spoke on "The Educational Experiment of the Thirty-three High Schools in the Southern Association Territory." In his speech he gave particular attention to the experiment as it has effected the Montevallo High School which is one of the thirty-three being used in the experiment.

Dr. Orr traced for his audience effects of the educational procedure on the pupils and on the teachers, stressing the way school teaching should parallel home training, and the importance of immediately useful instruction in the sense that what the student learns should be usable in his daily activity in order for him to see its value.

### AMERICAN LEGION

The regular meeting of Hendrick-Hudson Post of the American Legion will be held Thursday night, July 11.

This is an important meeting at which officers for the next year will be elected and delegates chosen to represent the Post at the state convention in Birmingham. All members are urged to attend. All ex-service men not members are invited to join before our report goes to the convention.

Miss Audry Harrison has just returned home from Birmingham where she visited friends and relatives.

Miss Lavinia Engle of Washington To Visit Here During Special Course July 11 - 12

Miss Lavinia Engle, of the National Social Security Board, Washington, D. C., will be the principal speaker for the School of Citizenship which the Joint Legislative Council is holding on the campus of Aabama College July 11-12.

Miss Engle will speak in Palmer Auditorium Thursday, July 11, at 7 p.m. (Daylight Saving Time) on "Women and State Government."

"We feel that we are very fortunate to have secured Lavinia Engle for our program," Dr. Hallie Farmer, president of the Legislative Council, said, "because she has had so much experience in the sort of work which the Joint Legislative Council is interested in. Since graduating from Johns Hopkins University, she has been a director of the League of Women Voters and a member of the House of Delegates in the Maryland Legislature."

She has served her native state as a member of the State Planning Commission, Commission on Higher Education, and the Commission on Unemployment Compensation. Today Miss Engle is assistant chief of the Field Operations Division of the Social Security Board.

Other speakers on the School of Citizenship program are Dr. R. C. Martin, professor of political science and government, University of Alabama; James Hard, director of the Jefferson County Civil Service Board; and the Hon. L. H. Ellis, Columbiana, a prominent member of the legislature, and long active in public affairs of the state.

A special effort will be made to have the Social Security workers in this state to hear Miss Engle, as her appearance in Montevallo will give them an opportunity to meet their superior officer.

This gathering of representative Alabama women is calculated to quicken their feeling of political and civic responsibility, making them more sensitive of their role in bringing about a more efficient state government.

A special section of the School of Citizenship will devote itself to young voters and young women soon to become voters. The two-day session will draw from the membership of all the constituent organizations who go to make up the Joint Legislative Council. They include: Alabama Association of University Women, Alabama Library Association, Alabama Dietetics Association, Alabama Council of Home Demonstration Clubs, Alabama Home Economics Association, Alabama Women's Missionary Society of the Methodist Church, Alabama Federation of Business and Professional Women, Alabama Federation of Women's Clubs, Alabama Women Lawyers, Alabama Chapter of American Association of Social Workers, and the Alabama Congress of Parents and Teachers.

College officials have announced that those attending will be housed in the new Julia Strudwick Tutwiler Hall, a senior dormitory dedicated in April, whose interior and exterior beauty has received high praise from Southern architects.

### DENNIS-BLANKENSHIP

A marriage of much interest to their many friends here and in Calera is that of Miss Willie Rae Dennis to Mr. Cecil Blankenship of Calera.

They were married Wednesday, June 26, at the home of Reverend Roberts, in Columbiana.

Mrs. Blankenship is the daughter of Mr. and Mrs. Mack Dennis, and Mr. Blankenship is the son of Mr. and Mrs. N. K. Blankenship.

The young couple will make their home in Calera.

## THE DISTRICT GROWS

The 1940 census for the Sixth Congressional District has been completed—that is, as far as the preliminary figures are concerned—and we find a splendid increase in the District as a whole in spite of losses by five of the eight counties.

For the entire District, we find a population of 252,409, in comparison with 236,412 in 1930. This represents an increase of 15,997, or 6 per cent. Tuscaloosa County, of course, was by far the largest, being more than two and a half times as large as the second county, Shelby.

Here are the 1940 figures for the District:

Tuscaloosa	75,995
Shelby	29,117
Chilton	28,263
Sumter	27,289
Perry	26,716
Hale	25,600
Bibb	20,161
Greene	19,269

Total -----252,409

Of these eight counties, Tuscaloosa, Shelby, Chilton, Sumter, and Perry showed gains, while Hale, Bibb, and Green Counties registered losses, all of them small.

In the Sixth District, there are 28 incorporated towns, with Tuscaloosa again far in the lead. The 1940 census shows that Tuscaloosa, Northport, Livingston, Cuba, Geiger, Marion, Uniontown, Eutaw, Boligee, Greensboro, Moundville, Centreville, Brent, West Blocton, Clanton, Calera, Columbiana, Montevallo, and Helena gained in population. On the other hand, Epes, Gainesville, Akron, Newbern, Jemison, Vincent, Wilton, and Wilsonville lost. The 28th town, Thorsby, remained exactly the same, with 771 both in 1930 and 1940.

Mr. O. M. Cathey, district supervisor, and his large staff of assistants have done an excellent job.—Tuscaloosa News.

## SOMEONE NEEDS YOUR HELP!

"In the war-torn areas of Europe thousands are insufficiently clad.

"You can help. Simply knit a square or squares, each 6 inches by 6 inches of any scraps of wool available. These will be sent abroad and sewn into warm blankets for the homeless. Make profitable use of your spare time."—Mademoiselle.

Acting upon the above item, the Montevallo Business and Professional Women's Club solicits your enthusiastic reception of this idea.

In order to carry forward this much needed project, we ask that anyone in the community who is willing to follow the above directions, will leave their finished squares at the Little Shop from which they will be forwarded to the headquarters to be shipped immediately overseas.

Any yarn or appropriate needles which you may have may also be left for use by volunteer knitters. Anyone in the community who cannot knit will be given free instruction at the Little Shop any time from 9 to 6 p.m. each shopping day.

All women's organizations as well as girls' clubs are invited to cooperate in this project now while the need is so urgent.

W. B. Crawley, Banks, Chairman of the State AAA Committee, and A. W. Jones, State AAA Administrative officer, will represent Alabama at the National AAA Conference in Washington July 10 and 11.

## "...AS A DAY IN JUNE"

Add to the list of phenomena the name of L. H. Ellis, the Shelby County legislator. In case you missed mention of it in last week's crowded news columns, Mr. Ellis is the lawmaker who served notice he is out to kill the judges' retirement bill—and then cast the deciding vote that saved the measure from a quiet burial in committee.

Mr. Ellis explained that he does not believe in applying committee chloroform to a bill in which there is as much interest pro and con, as has been manifested in the judges' bill; that such legislation is entitled to consideration on the floor.

Though we have not always agreed with "Handy" Ellis on matters of legislative policy, we wish there were more like him in our state and national legislative bodies. Democratic government would be in a healthier state.

We particularly commend Mr. Ellis' attitude to those members of the House judiciary committee in Washington who recently tried so desperately to smother the Hatch bill behind closed doors.—Birmingham Post.

## COBB COUNTY TIMES

We are privileged to look over a recent copy of the Cobb County Times, Georgia's premier weekly newspaper, published at Marietta. A study of the style, typography, content, and size of The Times brings us to agreement with the decision of the National Editorial Association that the paper should be honored as one of America's best weekly newspapers.

The first editorial in the issue of The Times under observation begins with this statement:

"When Republican national delegates convene in Philadelphia this week-end to choose party standard bearers, their efforts likely will deteriorate into a concerted 'Stop Roosevelt' effort."

We surmise that in this sentence The Times type-setter swapped words with the editor substituting "barriers" for bearers."

However, attitudes expressed at the Republican Convention in the last few days seem to indicate that the type-setter was about as correct as the editor. Obviously, the Republicans went to Philadelphia to select standard bearers for their party in the November campaign. Actually, however, since the appointment of Stimson and Knox to the Roosevelt cabinet, the Philadelphia convention seems more or less concerned about something in the nature of barriers to keep their party members from jumping the fence into the administration fold, or vice-versa.

In a feature column of the Cobb County Times of the same issue Columnist Otis Brumby discusses the Stimson-Knox appointment, referring to the latter as Phil Knox. Another slip of the tongue or the pen or maybe a charge against the type-setter.

The Knox under present discussion is Frank, of the Chicago Daily News. Phil, you know, was of another day long ago, likewise in a Roosevelt cabinet, but it was Teddy's.

We did not set out to correct or chastise Georgia's premier newspaper, but to praise it. These little things amused us, however, perhaps as the ant finds fun in running over the little hills and valleys of the elephant's body.

## C. I. O. DECLARES FOR NATIONAL DEFENSE PROGRAM

To the Editor:

It occurs to us as more than passing strange (in the light of the notions about the CIO held by some) that the CIO was the first, and thus far has been the only organization in Alabama that has urged an end to class warfare so that our country may be most speedily and effectively rearmend.

We have declared, "It is time for all classes to submerge their differences beneath our flag". . . and that "We are ready to make common cause with all classes to the end that our nation shall be rearmend and our democracy preserved."

As its patriotic duty, the CIO has called on its members in Alabama working under contract, "To do ev-

everything in their power to further the rearmament program of the President and in no case cease work unless and until every avenue of conciliation and arbitration has been exhausted."

At the same time, we called upon employers to meet labor half way in its efforts to preserve peace and to keep the wheels of our industries turning so that together we may do our part in rearming the nation.

In spite of this appeal, however, some anti-New Deal employers are already taking advantage of the national defense crisis to refuse to negotiate contracts and conciliate differences. Evidently feeling that the public will regard strikes by labor as treasonable, these Republican - dominated employers have gone on sitdown strikes to force their employees to accept anything they are offered. These employers are trying to sabotage the nation's laws, make them unworkable, and discredit labor so that the public will demand our laws changed.

But we do not believe the public will tolerate from employers any less patriotism than from labor. The President has said there shall be no blackout of our social gains, yet the Roosevelt-haters in Alabama have not accepted this. They are still working under cover to get back to the "good old days" of Mr. Hoover.

The CIO knows that labor will have to make with its own hands the instruments of warfare necessary to rearm our country. It has therefore offered to regiment itself under our nation's laws, it is satisfied with them, and it is not asking for their change.

The question, therefore, before the country is whether these carpetbagger employers of labor shall be permitted to continue their sit-down strike and sabotage of the President's program and the nation's laws at a time when disputes between labor and industry can have no result but to slow down the rearming of the nation.

If the employers of labor will not accept the nation's laws voluntarily, we believe they should be forced to accept them at least for the duration of the present national emergency.

In the opinion of the CIO, this is no time to rock the boat by disturbing the laws governing the country's workers. We therefore ask

all to help bring about that national unity necessary to national preparedness. That is our desire and certainly it is the nation's interest. —Very truly yours,

YELVERTON COWHERD,  
Regional Director, CIO.

## SOUTH ALABAMA GOOD PLACE FOR TRAINING FLYERS

Montgomery, Ala. — South Alabama offers almost perfect locations for training Air Corps flyers, according to Brigadier General Jacob E. Fickel, U. S. Army, in a statement recently during a stop at Birmingham.

"In the current training program," he said, "it is naturally important that the students be allowed the best weather, topography, and general flying conditions."

These necessary conditions are met in South Alabama, in the general's opinion. "Alabama should play an important part in the Air Corps training program," he stated.

The dreaded Japanese beetle may be found in Alabama within the near future. It has just been discovered in Miami, Jacksonville and Tampa, Florida.

# SARGON IS A POWERFUL AND INVIGORATING TONIC

Increase Your Bodily Vigor — Eat With a Keen Appetite — Enjoy Sound, Refreshing Sleep, With the Aid of This New and Modern Compound, When Suffering From Inorganic Causes.

The instant and phenomenal success of Sargon is easily explained. Its effect is almost immediate. Right from the first few doses people who are suffering from waning strength and energy, loss of appetite, poor assimilation and incomplete elimination begin to feel its stimulating tonic effects. Thousands who have taken it report that it seems to pick them right up and put them back on their feet.

Sargon is a powerful reconstructive tonic, designed to impart tone and strength to the entire system, and exerts a tremendous influence upon the processes of assimilation and elimination.

If you do not wake up in the mornings feeling rested and refreshed and ready for a good hearty breakfast; if you are not brim full of energy and ready for a good day's work, you are not enjoying the blessings of health that should be yours. And you

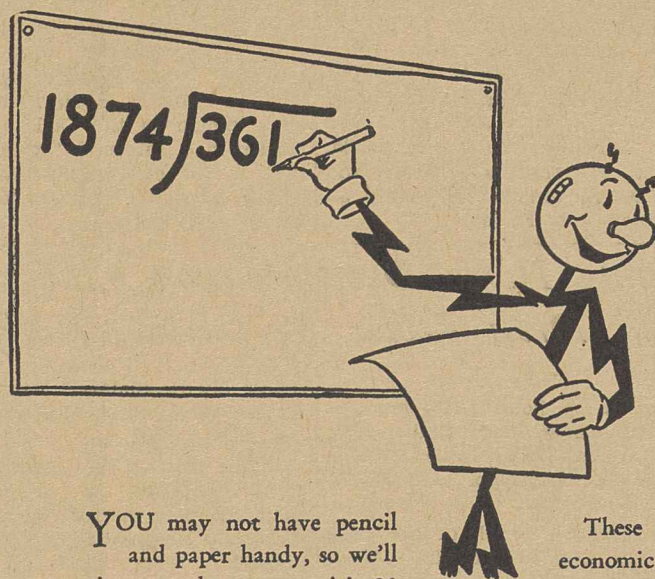

would do well to try the new and improved Sargon right now.

Sargon must not be confused with old-fashioned tonics, limited in their action to a purely stimulative effect. When Sargon increases the appetite and zest for living, it is not by temporary stimulation but by aiding certain vital organs and fluids of the body so they will perform their proper functions as Nature intended.

Sargon Soft Mass Pills are sometimes a necessary part of the Sargon treatment. They should be taken daily in connection with Sargon until regularity of bowel movement has been well established. Then discontinued.

The new and improved Sargon Tonic is sold with the guarantee that if you don't get the utmost benefit from its use your money will be instantly refunded.

Try SARGON.—Recommended by your neighbors and guaranteed by leading druggists everywhere.adv.

Divide 361  
by 1874

YOU may not have pencil and paper handy, so we'll give you the answer—it's 20 per cent in round numbers.

What do these figures represent?

1,874 is the total number of manufacturing establishments in Alabama.

361 is the number of new industries which Alabama Power Company Industrial Division has located, or has helped to locate, in Alabama.

So, you see, one-fifth of the total number of manufacturing establishments in Alabama are reflected in the industrial development program of Alabama Power Company.

These industries contribute to the economic progress of the state—they provide employment; they provide a further market for the products of the farm; they pay taxes which help to operate the schools, police and fire departments, pave roads and support the other essential functions of state and local governments.

An industrial review of Alabama, interestingly written in layman's language, entitled "Forward March," will be off the presses within a short time. If you would like to have a copy, write Dept. 1202, Alabama Power Company, Birmingham.

### WOMEN BUSY SELLING ON 16 CURB MARKETS

Auburn, Ala.—Alabama farm women marketed \$30,098.37 worth of surplus farm and home products on sixteen curb markets during the month of April, reports Etna McGaugh, state home demonstration agent. These sixteen markets, located all over the state, are rendering a real service in bringing the rural women closer to the urban consumer neighbor, she says.

Women report that the farm income in Alabama to date for this year has been increased \$126,829.54 by the use of the curb market facilities.

### TOBACCO PRODUCERS WILL VOTE JULY 20

Auburn, Ala.—Flue-cured tobacco growers of Alabama, Georgia, Florida, South Carolina, North Carolina and Virginia, will vote in a referendum, July 20, on a proposed 3 year marketing quota program.

A recent amendment to the Agricultural Adjustment Act of 1938 provides for a 3-year quota beginning with the 1941 crop.

When the farmers vote they will be facing a worse marketing situation than in 1930-32 period when prices were the lowest since 1915. This is said to be due to (1) curtailment of purchases by Great Britain and (2) the blocking of exports to other European countries affected by the war.

On July 25 and 26, farm leaders and scientists of Alabama and adjoining states will get together at Tifton, Georgia to consider plans and problems in establishing new pasture grasses and clovers in the Southeastern States.

## Mikey Mahan Has Birthday Party

Mrs. S. M. Mahan entertained Thursday afternoon, June 27, honoring her little son, Mikey, on his sixth birthday.

A color scheme of pink and white was carried out in the decorations and refreshments. A hilarious time was had by all with the center of interest being the big slide in the back yard.

The refreshments were served from a long table decorated with balloons and assorted candies in pink and white. Two pink birthday cakes holding six candles were served with ice cream to the following children:

Joy Holcombe, Mary Charles Mahaffey, Betty Klotzman, Eleanor McCloskey, Lyla Webb, Beverly Doyle, Mary Katherine Cox, Evelyn Jones, Wilma Clements, Betty Jo Clements, Olla Fay Clements, Joanna Sharp, Ann Stabler, Juanita Holder, Rita Joyce Day, Milton Jeter, Ashley Jeter, Carey Stabler, Agee Kelly, Pat Kelly, Roy Davis, Bill Tidwell, Billie Allen, Bobbie Crowe, Raleigh Lucas, Jack Lacey, Dudley Pendleton, and the honoree, Mikey. Mrs. Mahan was assisted in serving by Mrs. Ashley Jeter and Miss Ann Faust.

## NATIONAL GUARD TO GET AN ANTI-AIRCRAFT REGIMENT

Montgomery, Ala. — An anti-aircraft regiment will be included in expansion of Alabama's National Guard facilities, Congressman Sam Hobbs, here last week to confer with Governor Dixon, has announced.

Adjutant-General Ben M. Smith has made several urgent requests for an "AA" regiment, reminding War Department officials repeatedly that at least three Alabama areas must have the protection of such a unit.

These areas are assumed to be the vicinities of the Tennessee Valley power dams; Birmingham's industrial and mineral districts—probable site of war-time munitions plants, and Mobile's port area.

### SLEEPING SICKNESS WARNING IS ISSUED

Auburn, Ala.—Arrival of the season for mosquitoes and other blood-sucking insects creates a sleeping sickness threat to all horses and mules, warns Dr. I. S. McAdory, state veterinarian. "It is believed that the disease is carried by these insects, and every possible step should be taken to protect them."

"The greatest factor in controlling sleeping sickness last season was immunization by means of the new

chick embryo vaccine. Approximately 3,000,000 horses and mules were vaccinated by this method in 1939, and among vaccinated animals incidence of the disease was only 0.37 per 1,000."

Since immunity is generally effective for the duration of the sleeping sickness season, early vaccination is desirable, so that stock may be fully protected before the disease begins to strike a locality.

## Summer School To Present Play

As an entertainment feature of the first term summer school at Alabama College, the three-act light comedy, "The Patsy," will be presented next Monday evening, July 15, in Palmer Auditorium. The play is directed by Mr. J. H. Henning of the speech department.

There will be no admission charge, since the play is being presented as part of the summer school recreation program. All summer school students and the public are cordially invited by the college to see "The Patsy."

This play is a light comedy by Barry Connors concerning itself with Patricia Harrington, a girl who "runs second" to her older sister. In this predicament, she is blamed whenever anything goes wrong, and the scheming mother forces the Patsy to remain in the background in order to present the older sister to greater advantage. Her father, a traveling man, is on her side, and finally puts his wife in her proper place, and brings about Patsy's ultimate triumph.

The play itself is replete with humorous lines, intriguing situations, and human appeal. It's one of those plays one can just sit back and enjoy wholeheartedly.

The cast includes: Mrs. Harrington, Frances Ward, Bessemer; Pop Harrington, Bettina Pearson, Bessemer; Grace Harrington, Mary Grace Orr, Cullman; Patricia Harrington, Mary Anne Edwards, Bessemer; Billy Caldwell, Melba Ruth Jones, Cullman; Tony Anderson, Frances Croley, Daviston.

## SHELBY SPRINGS GAP IN HIGHWAY TO BE COMPLETED

The State Highway Department is advertising for bids on constructing the base course on 3.179 miles of the highway between Calera and Columbiana. It is understood that this project is for completing the portion of Highway 25 at Shelby Springs which was left out of the original construction on account of right-of-way disputes.

It will be welcome news to users of this highway to know that the unpaved part is to be finished.

Misses May Lyman and Frances Woods, Mr. T. D. Woods, Robert Edward Lyman, and Miss Marion Jones-Williams spent Saturday in Birmingham.

## SHELBY COUNTY STUDENTS ATTEND SUMMER SESSION

Twelve residents of Shelby County are now at Auburn where they are attending the first term of the summer session which closes on July 12. Every Alabama county, except two, are represented in the summer student body at Auburn.

Those from Shelby County are Percy Nolen, Siluria; Russell Ambrose, Wilton; W. M. Clark, Columbiana; Fanny T. Hinds, Edward P. Tucker, Vincent; Robert T. Hunt, Mary Tinsley, Harpersville; T. D. Woods, Joe R. Wood, Ulmer Wilson, D. C. Anderson, A. W. Cooper, Montevallo.

## Civic Club Names New Committees

For its only meeting of the month of July the Montevallo Civic Club assembled at the Methodist Church at noon Wednesday. The newly elected president, J. L. Appleton, presided.

The following standing committees were announced by the president to serve for the next six months:

Program: J. H. Henning, Stanley White, J. M. Shores, C. V. Stabler.

Membership and Attendance: J. I. Riddle, A. W. Vaughan, W. M. Wyatt.

Hospitality: T. M. Davis, T. H. Napier, R. E. Whaley.

Roads: J. I. Reid, W. L. Brown, G. T. Towery, J. Alex Moore.

Commercial Development: L. W. Wooten, Z. S. Cowart, M. P. Jeter, D. A. Thomas, T. H. Napier.

Public Improvement: C. T. Acker, A. F. Harman, R. A. Reid, S. M. Mahan.

Scouting: T. E. Watson, M. L. Orr, R. P. Holcomb, A. W. Vaughan, Edgar Reinke.

Cub Scouts: W. M. Davis, Joe Klotzman, J. L. Appleton.

The club adopted a recommendation of the Board of Control declining to affiliate with Exchange International, at the same time directing a letter of appreciation to members of the Exchange Club of Fairfield for their kind solicitation in this matter.

Dr. Gordon McCloskey spoke to the club explaining the plans and purposes of the Town Forum. L. W. Wooten was named to represent the Civic Club as a member of the Advisory Council of the Town Forum.

The Aldrich meeting of the club will be held on Wednesday, August 7.

## High School Group To Give Operetta

An original operetta portraying the life of gypsies will be presented by Miss Utterback's group in the Summer Demonstration School next Wednesday night at 8 p.m. in Reynolds Hall. It is entitled "Gypsy Love Song." It was written by members of the class, who also designed and executed the costumes, stage set, lighting, and arranged the dances and musical numbers.

The cast is as follows: Estralita, Doris Tenny; Ghitz, Pat Wilson; Michael Steffins, Hobart Love; Manueto, John Orr; Heredia, Delyn Cost; Zingara, Gertrude Simpson.

The dancers, singers and musicians are: Dot Anderson, Ann Pilgreen, Evelyn Mayhall, Lois Anne Smith, Marjorie Ann Powell, Martha Allen, Marie Cosper, James Bozeman, Joe Lightsey, Curtis Martin, Bernard Mitchell, P. D. Pendleton, Ed Sellers, Nina Wells, and Margaret Bickler.

The public is invited and there will be no admission charge.

## ONE KILLED IN WRECK NORTH OF CALERA

A three-way collision between a truck, automobile, and motorcycle about a quarter of a mile north of Calera last Thursday on the Montgomery Highway resulted in the death of one of the motorcyclists and injury of another.

Mrs. Dwight Evans McDonald, of Brighton, was killed, and her husband, D. E. McDonald, 25, suffered severe lacerations.

McDonald was admitted to the Bessemer General Hospital. Highway Patrolmen J. A. Hagood and L. E. Curtis, who investigated, said Mrs. McDonald was a passenger on the rear of the motorcycle.

## SERVICE SOCIETY TO MEET

The Christian Society of the Methodist Church will be held Monday afternoon, July 15, at 3:30 at the Church.

## PRESBYTERIAN CHURCH

Sunday school will be held at 10 o'clock. Rev. T. M. Davis is to preach on the "Imitative Mood" at the 11 o'clock service. The Young Peoples' meeting is at 6:30.

## Dr. Orr To Lead Panel Discussion

The last of a series of uniquely successful forums will be held in Comer Lecture Hall on the Alabama College campus at 7 p.m. next Wednesday night, July 16, when Dr. M. L. Orr leads a panel discussion centered around the theme of "A Program for Americans in These Days." Townspeople of Montevallo as well as summer school students have been attending these forums in large numbers. Leaders in past weeks have included Dr. I. T. Sanders, Dr. Gordon McCloskey, Dr. Hallie Farmer, Dr. Anne Eastman, all faculty members; and Mr. C. G. Dobbins, editor of the Anniston Times.

It is expected that the same heartening audience will mark the closing forum session next Wednesday night.

Among the questions Dr. Orr will raise for general discussion are: How can school people prepare themselves for the changed world in which they will take up their work in September? Is it feasible to register and conscript all citizens, men and women? Should non-military labor groups consist only of men on relief? Are economic military plans for defense of two American hemispheres possible? What are our dangers and duties in the Pacific? Under the enormous taxation necessary for preparedness, what non-essentials in personal and community life must be sacrificed?—and many others along this line.

## "BUCKSHOT" LANKFORD TO AGAIN HEAD ALDRICH

Aldrich, Ala. — E. F. (Buckshot) Lankford was again named president of Aldrich Local Union (No. 5380), United Mine Workers of America, in the recent election of officers here.

Serving with Lankford will be John Gay, vice-president; J. W. Butler, financial secretary; James Gaines, recording secretary; E. W. Lankford, Richard Jones, and Isaiah Horn, mine committee; and Jessie Pickett, check weighman.—Alabama News-Digest.

## Health Officer To Hold Typhoid Clinics

The appearance of typhoid fever in the county emphasizes the necessity of everyone taking precautions to prevent this disease.

In the absence of protected water supplies, safe methods for the disposal of wastes and adequate fly control methods, conditions which prevail to a large extent in the rural sections, the only safe method of preventing typhoid is by immunizing each individual with vaccine.

Every person who has not had the vaccine within the past two years should avail themselves of the opportunity when members of the Health Department come to their community.

Beginning Friday, July 12, the following communities will be visited: Lester's Chapel, 9 a.m.; Chelsea post office, 10:30 a.m.; Westover post office, 1 p.m.; Fourmile School, 3 p.m.—E. F. Sloan, M. D., County Health Officer.

## B.P.W. Continues Drive For Red Cross Relief Fund

The Montevallo Business and Professional Women's Club, through their regular committee with Mrs. Denson Elliott as chairman, is still receiving contributions for the Red Cross European Relief Fund. One of the largest contributions recently added was one from Miss Elizabeth Keyes for \$61.50, given by Aldrich subscribers.

Since this fund may be added to at any time and in any amount, all contributions are most welcome. All money is forwarded promptly to National Headquarters, by the local Red Cross chapter and so is used immediately for the immense problem of relief which now confronts the organization.

The club is also continuing the knitting of six-inch squares which will be used to make wool blankets for refugees. Any remnants of wool yarn and size No. 4 needles may be left at the Little Shop, where they will be used in this work. Any volunteers who are willing to give a little time to this work are earnestly asked to give their services. Complete directions will be furnished either at the shop or they may be obtained by calling Phone 6231. Since this is a project for anyone in the community, all help will be very much appreciated.

## ZIOLKOWSKI RECITAL

Mr. Ziolkowski, pianist, will play three numbers at the convocation which is to be held at Palmer Auditorium on Friday at 12 o'clock. As this is the last time that summer school people will be able to hear Mr. Ziolkowski, it is hoped that many will take advantage of this opportunity to hear a fine artist. The program follows: Toccata and Fugue by Bach, Mountain Fantasy by Ziolkowski, and Scherzo in B-Flat Minor by Chopin.

Mrs. James Starling and son, John Lewis Starling, are leaving Saturday for their home in Durham, N. C., after a visit of several weeks with their parents and grand parents, Mr. and Mrs. J. R. Lewis.

## Projects Are Chosen For Town Forum

A meeting of the Advisory Council of the Town Forum of Montevallo was held at the Methodist Church Tuesday night. Representatives were present from practically all of the participating groups of the town.

After some discussion the following were accepted as projects which will be recommended for consideration of the Town Forum at its first meeting on July 25:

1. A movement directed toward control of the menace of flies and mosquitoes. J. L. Appleton was named chairman of a subcommittee to bring before the Forum such facts and recommendations as might be useful in organizing for this objective.

2. Beautification of streets by a concerted effort on the part of property owners to improve the little strips between curbs and sidewalks.

3. A plan toward some place and form of recreation for the people of Montevallo.

4. A program directed toward closer relationships between the people of Montevallo and their neighbors in adjoining communities.

Considerable discussion was made on the subject of membership in the Town Forum. First and foremost, it was stressed that every citizen of Montevallo is earnestly solicited to become a member. Each of the organized groups participating in the Forum will seek to promote membership through its own organization, not stopping there, however, but seeking to secure the enlistment of every citizen of the town.

The next meeting of the Forum will be held July 25. At this time it is hoped a large membership will have been enlisted, and that the attendance will be representative of the citizenship of the town and community.

## Member Of Social Security Board To Speak Here

Miss Lavinia Engle, of the National Social Security Board, Washington, D. C., will deliver the principal address at Alabama College July 11 in opening the two-day School of Citizenship for Alabama women which the Joint Legislative Council is holding July 11-12. Miss Engle, former member of the Maryland house of delegates, will speak at 7 p.m. (DST) in Palmer Auditorium.

Dr. Hallie Farmer, head of the Alabama College history department and president of the Joint Legislative Council, will preside.

Member groups sponsoring the School of citizenship are: Alabama Association of University Women, Alabama Library Association, Alabama Federation of Business and Professional Women, Alabama Dietetics Association, Alabama Council of Home Demonstration Clubs, Alabama Home Economics Association, Alabama Women's Missionary Society of the Methodist Church, Alabama Federation of Women's Clubs, Alabama Women's Lawyers' Association, and Alabama Chapter of American Association of Social Workers.

Other speakers will include L. H. Ellis, Columbiana, member of the Alabama legislature; James Hard, director, Jefferson County Civil Service Board; and Dr. R. C. Martin, professor of political science and government, University of Alabama.

The new place of Towery Motor Company is nearing completion. Mr. Towery says he will be ready to move in by the time the rain stops.

## DR. JOHN W. ABERCROMBIE

This generation of Alabamians cannot remember when it was not familiar with the name of John W. Abercrombie. Since the late nineties of the last century he has been a familiar figure in Alabama's political and cultural affairs. He was a state senator from Calhoun County. He became president of the University of Alabama. He served many years, at various intervals, as state superintendent of education and many other years as an executive in the state department of education. He served four years as congressman-at-large from Alabama. Under Woodrow Wilson he was a solicitor in the Department of Labor.

Dr. Abercrombie never sought worldly means. He sought to be a cultural and humanitarian leader. He loved human beings almost indiscriminately. He was one of the gentlest, sweetest souls that the public life of this state has produced. He was ever kindly and obliging, ever amiable, ever wise in counsel and apparently never bitter.

Dr. Abercrombie, a self-made man, served his state and people with honor and distinction. All who knew him well long remembered him for his fine spirit and high purposes, his genial charm. He was a grand old gentleman.—Montgomery Advertiser.

## CLANTON POPULATION

According to the 1940 census report, Clanton, in Chilton County, had a population increase of 2,125 while the county as a whole showed an increase of 3,694 during the past decade. We'll bet a dish of Fourth-of-July ice cream that Congressman Pete Jarman of that district thinks they were all Republicans and voted the Democratic ticket in the June 4 primary. — Lafayette Sun.

## A PETE JARMAN STORY

Congressman Pete Jarman of the Sixth Alabama District, is well known in Jasper, having served as state examiner at the court house here on several occasions, and his friends will enjoy a story told about him Saturday, which is said to be true.

During one of Jarman's campaigns an orator who was opposing Pete's nomination fairly screamed out in the course of a speech, "What has Pete Jarman ever done?" And an old man with a mouthful of snuff over in the audience said: "He's beat hell out of every man that ever run against him." The reply and the laughter that followed took about all the speech out of the orator.—Mountain Eagle.

Harlan Trott, in "Tales From a Wayside Drive-In" (Christian Science Monitor, June 29) says "whole hog or nothing" is a fairly accurate modern American translation of the Latin "E Pluribus Unum."

A state-wide Guernsey cattle club has been organized in Alabama with J. Frank Baker, Montevallo, president; Clyde L. Coe, Dothan, vice-president; Leon Guy, Montgomery, second vice-president; and John Fuller, Tuscaloosa, Rt. 3, secretary-treasurer. Other members of the board of directors are A. H. Hataway, Montgomery, C. S. Smelly, Sylacauga, and Taylor Rosser, Bessemer.

## ATTICUS MULLIN DISCUSSES WILLKIE

This columnist is not an alarmist, politically. We have been in politics and writing about politics for 30 or more years and so we cannot be stampeded.

But this fellow Wendell Willkie, the Republican nominee, is attracting more popular interest in Alabama than any man the Republicans have ever nominated. When his picture is shown in the movies, he gets much more applause than Roosevelt does when his picture is shown.

If all of the Democrats we have heard speak in the days since Willkie was nominated vote for Willkie, then Alabama will be doubtful if the same proportion is upheld all over the state.

We do not expect every Democrat who now says he will vote for Willkie to do it when the time comes. Most Alabama Democrats are loyal to the core. They are not bolters and halfway people. But we have heard enough to make the suggestion that Chairman McCorvey of the State Democratic Executive Committee do something about appointing a campaign committee to see to it that Alabama Democrats get to the polls in November. The situation has all the appearance of being more dangerous than was Jefferson's bolt in 1928 wherein thousands of Alabama Democrats bolted their party.

There is no use of us sticking our heads in the sand like an ostrich and denying the fact of Willkie's popularity. If he speaks out for preparedness and stands like a man for president and writes his own platform and ignores the weak thing the Republicans adopted at Philadelphia, he is as dangerous as any Republican who ever appealed to Alabama for votes. More dangerous than any, we believe.

So Mr. Gessner McCorvey and Col. Marion Rushton had better get busy now. Things are going to hum if Willkie does what most people think he will do and runs as an American rather than a weak-kneed obstruction Republican.—Atticus Mullin, in The Montgomery Advertiser.

## SOYBEAN NO LONGER SOIL-DEPLETING CROP

Auburn, Ala.—Soybeans will not be considered as a soil depleting crop under provision of the 1940 Agricultural Conservation Program, announces A. W. Jones, AAA administrator.

Previous provisions of the law are that soybeans were considered soil depleting if harvested for seed for crushing but an amendment to the national AAA bulletin for 1940 provides that soybeans are not soil-depleting regardless of whether the seed is harvested for crushing or matures.

This change means that soybeans will be considered a neutral crop and that the acreage planted to soybeans will not be deducted from the special allotment.

## She Built Fires For 20 Years

FOR 20 years she built fires morning, noon and night—yes, even on hot summer days like this! A fire to build for every meal . . . a fire to kindle when warm water was needed to launder lingerie.

And then she began to think there might be something to the saying "Electricity is Cheap in Alabama," and asked about electric water heating.

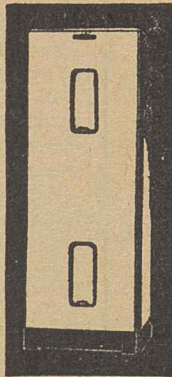

Yes, she bought an electric water heater (an electric range, too). Today, she has all the hot water she needs—whenever she turns the hot water faucet—and her days of bothersome fire building are over. The electricity used for heating water costs only 1c a kilowatt hour (slightly higher on some rural lines). So you see, electricity really is cheap in Alabama!

## INSTALL AN ELECTRIC WATER HEATER

For installation in basement or other locations.

TAILORED SQUARE MODEL

For installation in kitchen, full or table height.

Fully automatic, never requires any attention, seldom gets out of order—once installed you can forget it. Thousands of users consider their electric water heater their most satisfactory electrical appliance. May be installed in basement or in a corner of the kitchen, where it helps give to the kitchen that modern electrified appearance.

Costs less than a hundred dollars, installed. Cash or terms. Low operating cost—electricity to heat water comes to you at the lowest rate—1c a kilowatt hour (slightly more on rural lines).

## Highway Accidents Show Increase

Montgomery, Ala.—Though accidents occurring on Alabama's highways in April showed an increase over figures for March—from 183 to 188—totals of killed and injured decreased, it is shown in a statistical report just issued by the state Department of Public Safety. In March there were 25 killed and 185 injured. For April, fatalities dropped to 20 and the total injured to 139.

Ordinarily, a seasonal increase in motor accidents is to be expected, officials say, with the return of warmer weather each spring, and a consequent growing increase of motor vehicles of all types using the public roads. This year, however, it is estimated the seasonal uptrend not only failed to appear, but on the basis of operating practices of the Highway Patrol in other years, it was an actual decrease.

The slight increase in the accident total in April over March, is believed to be more than accounted for by use of the improved and efficient system of accident reporting that was put into effect shortly after the turn of the year by Safety Director T. Waller Smith. These reports, comprising important data never before assembled in an orderly way, include in addition to accidents investigated by patrol officers, other accidents reported to them that have occurred on unpatrolled country roads as well as on the patrolled roads of the State.

Coincident with the increase in highway accidents involving motor vehicles only, during April, there was also an increase in accidents involving pedestrians. There were 12 such accidents in April, in which 6 persons were killed and 6 injured, compared with 8 accidents resulting in 5 fatalities and the injury of 3 persons in March. Regarded as significant is the fact that while 23 per cent of those involved in motor accidents happening in March had been drinking intoxicants, only 15 per cent of those figures in accidents in April had done so.

Most dangerous hours for motorists in April were between two and three and four and five, and five and six p. m. More accidents occurred during those hours than at any other time of the day. Friday, Saturday and Sunday were the most dangerous days of the week, traffic accidents having a way of multiplying on week ends.

Mrs. Grover Seale and daughters of Birmingham visited Mrs. F. Denson for a while Sunday.

Mr. and Mrs. J. J. Haynes of Montgomery are visiting their daughter, Mrs. Jasper Holcombe, for a few days.

## Employment News

Montgomery, Ala.—Alabama did not have a strike in any industrial plant at the end of May and not a fatality occurred in a coal mine in the State during May. This record was shown by Judge John D. Petree, Director of Industrial Relations, in a report to Governor Dixon today.

In addition the Department made a new record for total placement of workers in private industry, 7,733, and had on hand more than twice as much money in the unemployment trust fund as it had fifteen days before Governor Dixon was inaugurated in January, 1939, the total at the end of May being \$14,729,264.

Auditors of the Social Security Board completed an audit of records of the two agencies in the Division of Employment Security—Alabama State Employment Service and Unemployment Compensation Agency, and found that approximately \$600,000 had been expended between January 1 and October 1, 1939, without one penny being disbursed that was not in accord with the budget and with the rules and regulations of the Social Security Board.

Judge Petree made the following concise report to Governor Dixon showing the record of the department of Industrial Relations for May:

During the month of May the Employment Service Division found jobs in private industry for 7,733 people. This was more than 300 placements for each working day in the month and was greatest number ever placed in any one month since the establishment of the Employment Service.

During the month of May 1,239,000 tons of coal was mined in Alabama with no fatal accidents. This is a record of which I am proud. Only a few times since records have been kept have our mines operated a full month without fatalities.

On May 31 there was not a single strike in progress in the places of employment in Alabama.

On May 31 the Alabama unemployment compensation trust fund had a balance of \$14,729,264, which was the greatest amount ever in the fund and was more than double the amount on hand January 1, 1939.

The Employment Service and Unemployment Compensation Division receive grants from the Social Security Board for the cost of the administration. Audits have been made by the federal auditors for the period of January 1 to October 1, 1939, and they report all expenditures have been made in accordance with the budget and in accordance with rules and regulations of the Social Security Board. Not one penny exception was taken to any expenditure covered by the audit. The amount of expenditures was approximately \$600,000.

First in your mind, perhaps, the telephone industry's principal contribution to the South is quick, dependable communication.

But Southern Bell is also important as a citizen, as an employer of people, as a payer of taxes, as a purchaser of materials. In 1939 alone, operating expenses amounted to approximately fifty-five million dollars, not including additional millions used for new construction.

To build, operate and maintain this system requires more than twenty-one thousand skilled workers whose annual payroll is approximately thirty million dollars.

These telephone men and women contribute to the business and social welfare of their communities, and of the South. They and their families compose a group of perhaps eighty thousand people who are dependent on this business for their livelihood.

As a tax-payer, the Southern Bell does much toward the support of the local, state and national governments. Total taxes last year exceeded nine and three-quarters million dollars, nearly twenty-seven thousand dollars a day.

The Southern Bell Company is a Southern industry in the fullest sense and its activities form a substantial contribution to the growth and prosperity of the South.

## Rural Electrification Shows Increase On Alabama Farms

### Regulation Outlaws "Snagging" Fish

Montgomery, Ala.—In response to demands of residents in areas near impounded waters, the Department of Conservation has approved a regulation outlawing the taking of fresh water fish by means of snaring, snagging or snatching within a quarter of a mile of any lock or dam in Alabama, according to Dr. Walter B. Jones, conservation director. This new regulation applies both to game and non-game fish, it was announced, but it does not exclude the regular rod and reel or "doodle" fisherman from angling below the dams.

Although the regulation is dated June 25, 1940, Dr. Jones said that game wardens had been instructed to refrain from making arrests for 30 days. During that time of grace, offenders will be warned and their names and addresses will be taken, he said.

Passage of the regulation grew out of abuse of fishing privileges in certain sections where dams are located including Wilson, Wheeler, and Guntersville Dams, by persons taking large quantities of fish with a rig consisting of heavy pole, a lead weight on the line and dozens of large unbaited hooks. These hooks are raised and lowered rapidly, snagging any and all fish directly below dams where fish congregate in their efforts to proceed upstream. Sometimes a reel is used in this rigging. Citizens of several communities protested strongly against this practice. Dr. Jones said, citing that thousands of pounds of game and non-game fish have been taken out of Alabama streams in this unsportsmanlike manner.

The snagging, snaring and snatching of non-game fish by commercial fishermen in other fresh water streams may continue, it was shown, as the new regulation applies only to that area within a quarter of a mile below a lock or dam.

The person using rod and reel, or cane pole and lines, also may continue to enjoy his sport as close to the dam as he feels safe, Dr. Jones said, because this is legitimate sport fishing.

Dr. and Mrs. F. N. Harvey and their young son, Charles McClain Harvey, of Jacksonville, Fla. are now visiting the former's parents, Mr. and Mrs. W. A. Harvey of Montevallo.

Auburn, Ala.—Electric lights are fast taking the place of kerosene lamps in rural Alabama.

Figures compiled by Etna McCaugh, state home demonstration agent, reveal that approximately 49,396 farms in the state are now using electricity to make rural life more attractive, enjoyable and comfortable.

"This means that about 18 per cent of all Alabama farm home makers have the use of electricity in making home work more convenient and efficient," she says.

"Farm women are finding that electricity lightens the burdensome tasks of homemaking. The all too-frequent job of carrying water, cleaning lamps and so on is now done the electric way. This important labor saver on the farm has released time for the farm woman to devote to better training of her children, self improvement, and community service work."

Information from a number of reliable sources show that one kilowatt of electricity will furnish the farm home any one of the following:

Furnish lights for a whole evening's reading; pump all the water needed for the average family for two days; iron for two days; run the sewing machine for two months for the average family; preserve the family food for 15 hours; and does one large weekly wash.

# L. H. Ellis Delivers Address At State Teachers College

Hon. L. H. Ellis, of Columbiana, was the guest speaker at the Troy State Teachers College for the last assembly of the first term of the 1940 summer school. Mr. Ellis, a well known political leader in Alabama and a member of the State Board of Education, used as his subject, "The Way of a Democracy." The failure of a nation to govern wisely and well and its failure to safeguard the interests of the people results in the deterioration of such a nation. Furthermore, stated the speaker, when a government is not worth fighting for it is not worth dying for and this results in disloyalty of its people.

"It is apparent that the government of some of the nations of Europe which have fallen have failed in their services to their people. It may be that the judgment of future generations will modify the judgment which I now utter. If they have not been derelict, as I have attempted to point out, they will surely rise again in greater splendor than ever before. The outlook for them, however, is dark, dismal and gloomy," stated Mr. Ellis.

The speaker asked his audience to seriously consider the answers to the questions: What will be the way of our democracy? Shall it be the course of cowardice or along the paths of glory and continued national existence? According to Mr. Ellis, the great danger which our country faces today is a lack of proper national defense, together with the fact that during the past years many aliens, some of whom are spies, many of whom are criminals, have been allowed to come to America from the old world.

Many of these aliens are incapable of understanding the meaning of right, justice and freedom, and in our hour of need, they may turn upon us as they have done in those countries recently over-run and destroyed.

In closing the speaker said, "We should look, therefore, to our national defense and should promptly deport those ertwhile aliens who are incapable of being true to the fundamental principles of justice in our government, and by imprisonment, or perhaps electrocuting, those who are found guilty of treason in the hour of need. We should not listen to the Lindberghs of the world, who, for whatever cause, think for the moment that the Hitlers and other dictators of the old world can be relied upon for any future pacifist policy or in regard to any promise they may make or any treaty they may enter into."—Troy Messenger.

## Director Reviews Workshop Activity

"Our most outstanding accomplishment during this six weeks was the realization that teaching in the light of child study is much more effective than teaching by formal techniques alone," stated Miss Anne Holdford on the last day of the summer school workshop program which she directed.

Approximately eighty teachers from over Alabama have taken part in the high school work this summer to study the pupils and find out their needs. Miss Holdford and her assistants stressed the necessity of studying individual pupils and then teaching in the light of that study.

Specific work has been carried on by means of observation of students in Montevallo school. Division of workshop students into groups gave opportunity for comparison in seminar discussions held each day.

Miss Holdford has especially commended the work of her students and the committees who made the summer school "such a pleasant experience."

Activities of the summer school students have been reported each week in a bulletin issued by one of the classes. The group of students in Miss Elizabeth Utterback's class produced their original operetta, "A Gypsy Love Song," during the term. Other activities in the school have included presentation of motion picture excerpts each week, camp trips, and clay modeling.

Climax of social activities was the Community Night program sponsored by Dr. Gordon McCloskey's college sociology class. The program combined the stunts presented by each high school group with square dancing and cake walks in which the townspeople participated.

The second term of summer school begins Thursday. English, social studies, biology and plane geometry will be offered to the high school students.

## Donald Comer Is Speaker At School Of Citizenship

"If the cultural level of the average Alabamian could be raised from the fifth grade to the eighth grade, a long step would be taken toward solving in the next ten years some of the major economical and social problems confronting Alabama." This was the challenge which Donald Comer laid before women attending the School of Citizenship at Alabama College last week end.

Mr. Comer appeared on the program Friday morning to explain the "Ten-Year Program for Balanced Prosperity" which Governor Dixon has inaugurated under the chairmanship of Mr. Comer.

Women from all over Alabama attended this institute which is under the auspices of the Joint Legislative Council.

The purpose of the School of Citizenship was to quicken in Alabama women a sense of responsibility for a more efficient government, and to make women more conscious of their role in public affairs.

Speakers included Miss Lavinia Engle of the National Social Security Board, Washington, D. C.; Dr. R. C. Martin, professor of political science and government, University of Alabama; and James Hard, director of Jefferson County Civil Service Board.

### PRESBYTERIAN CHURCH

The topic for the Sunday morning service is "Spiritual Landmarks," the Rev. T. M. Davis preaching. Sunday School will begin at 10 o'clock. Miss Dama Wills will be leader at the Young People's meeting at 6:30 p.m.

## Montevallo Calls You

To the People of Montevallo:

We live in a progressive town. Our town is above the average, but most of us believe that there are ways in which all of us together can make it still more prosperous and more attractive. As this paper told you last week, a Town Forum has been organized to outline possible ways of making more improvements. As a beginning, the Forum Executive Committee has some very modest and inexpensive suggestions to present to the people of Montevallo for approval or rejection. The ideas of every Montevallo citizen are needed. If all of us do some work and some thinking, there will be no great burden placed on anyone. This is democracy's way. You are needed.

The Forum is counting on you and you and you. Make yourself responsible for coming and bringing one friend to the meeting at the Baptist Church at 8 p.m., Daylight Saving Time, July 25. The Forum wants ideas from everyone.

## Local Girls To Sing With Glee Club At The New York World's Fair

### Popular Opelika Couple To Wed

Opelika, Ala.—The marriage of Miss Dorothy Summers and Arthur Wiggins Cooper will take place at 7 p. m. Saturday in the garden at the home of the bride's parents here with the Rev. Frank Mosley officiating.

The nuptial music will be presented by Mr. and Mrs. Charles Butler, violinist and pianist, of West Point, Ga., and Cecil Stowe, vocalist, of Opelika.

The bride will be given in marriage by her father, Carl Summers. Mary Nelle Summers, the sister of the bride, will be maid of honor, and Mrs. Clyde Popwell, of Talladega, matron of honor. Bridesmaids will be Misses Martha Kate Edwards, Enterprise; Virginia Adams, of Auburn; Camilla Corr, of Opelika; Hazel Meadows, of Salem; Kathreen McClellan, of Decatur; and Sarah Hadley, Columbus, Ga. James Hodges will serve Mr. Cooper as best man. Herbert Wiggins, Gadsden, Jordan Langford, of Auburn, Ralph and Robert Brady, of Columbus, will be bridesmaids. George Haden, Jr., of Anniston, little cousin of the bride, will be ring bearer.

Many entertainments have been planned for the bride-elect.—The Birmingham News.

### LIVE-AT-HOME PROGRAM IS PROFITABLE TO FAMILY

"We feed two cows, pay the family grocery bill, and practically clothe the family with the money earned from selling the surplus butter and milk from our two cows," says Mrs. J. H. Harper of Ebenezer Home Demonstration Club in Shelby County.

Since February 22, the Harpers have made better than \$6.00 per week, a total of \$135.00, by selling butter, buttermilk, and sweet milk. They grow the corn, velvet beans, and trade seed for cotton seed meal. The only feed they buy for the cows is a commercial dairy feed.

The Harpers are convinced that a live-at-home program plus a cash income from other sources than cotton is essential for success on the farm.

### LOCAL BOYS BUY REGISTERED JERSEY CATTLE

Registered Jersey cattle have recently been purchased by Shelby County breeders, according to the American Jersey Cattle Club.

Bobby Baker of Montevallo purchased a purebred Jersey cow, Alligator Queen Daisy 1183258, from S. T. Simpson, Belfast, Tenn.

Cecil Dennis of Montevallo also purchased a purebred Jersey cow, Observer Diamond Lady 1234146, from Wm. C. Mayes, Lewisburg, Tenn.

Misses Olive Barnes and Josephine May, of Montevallo, have been invited by the School of Music at Alabama College to sing with the Glee Club at the New York World's Fair August 2.

With an eye to taking some of that well-known Southern harmony to the East, a bus-load of Alabama College Glee Club members are leaving Montevallo July 21 for New York where they will sing—by special request—at the World's Fair Temple of Religion.

The invitation to sing at the fair came last spring to the director of the Glee Club, H. D. LeBaron, after the girls had sung from Birmingham over the entire network facilities of the Columbia Broadcasting System.

In a trip lasting three weeks the Glee Club will sing at Lookout Mountain, Tennessee; Williamsport, Maryland; with two concerts

### GLEE CLUB TO BROADCAST

While members of the Glee Club were busy packing this week to leave Sunday for the World's Fair, they received a telegraphic invitation from officials of the Columbia Broadcasting System to sing from New York over that network. This will mark the second appearance of the Glee Club over the Columbia System in 1940.

Early this year they sang over 119 stations of CBS in a program originating in Birmingham. They are scheduled to make their second appearance Saturday, August 2, from 1:30 to 1:45 p.m., Central Daylight Saving Time, from the Madison Avenue studios of the network.

in Washington, D. C., and another in White Plains, New York.

Their concert in the Temple of Religion at the World's Fair will be on Friday, August 2.

On a leisurely return trip the girls will visit points of interest and scenic attractions in Pennsylvania, Ohio, West Virginia, and Kentucky, reaching home again August 12.

Those making the trip are: Sue Tucker, Dixiana; Cathleene Waddell, Rogersville; Adele Holder, Mt. Vernon; Minnie Priest, Selma; Mary Helen Moore, Dozier; Louise Wallace, Hope Hull; Eva Love Wyatt, Decatur; Ruth Hodo, Millport; Olive Barnes, Montevallo; Estrid England, Mobile; Marion Florey, Perdue Hill; Fay Prater, Millport; Flidera Tapia, Mobile; Lois Anne Smith, Tallassee; Mary Stewart Howell, Anniston; Anne Laure Sigler, Monroeville; Frances Lee, Hartsville; Louise Mims, LaFayette; Frances Worley, Urbana, Ill.; Lois Thompson Mims, Clanton; Josephine May, Montevallo; Louise Bowman, Goodwater; Corinne Locklin, Monroeville; Helen Warren, Hanceville.

## Navy Commissions Offered Young Men

Birmingham, Ala.—Five thousand unmarried young men in the United States, between 19 and 26 years, with two years of college, will have a chance this summer to cruise 30 days on a Navy warship, expense free, and qualify for commissions as reserve ensigns, according to advice received by George L. Davis, state director of the Office of Government Reports, from the Navy Department.

Applications are being taken at naval district and naval reserve headquarters and inquiry regarding location of these headquarters should be made at the local post office. As part of the Navy expansion program, the government will pay travel expenses and stand the cost of food, lodging, uniforms and other equipment.

Candidates who successfully complete the 30-day cruise are eligible for appointment as naval reserve midshipmen and enrollment in a 90-day course on shore to qualify them for appointment as ensigns in the volunteer reserve.

The first cruise began about July 16, on the U. S. S. Wyoming and additional cruises will begin periodically until January 15, 1941. Gunnery, navigation, engineering, communications, and other technical skills will be taught.

During the three-months shore course, candidates will receive the same pay and allowances as midshipmen in the regular Navy. This course, however, may be postponed in order not to interfere with college course or other civilian activities.

### REPUBLICANS TO MEET IN CALERA

The Hon. Charles Robinson, who was a delegate to the national convention at Philadelphia, will speak at the High School Auditorium in Calera Saturday night, July 20, at 7:30 p.m.

There is some important business to be attended to and all Republicans are urged to attend this meeting.—Campaign Committee.

### Celebration Planned For July 24 In Honor of Family; Noted Leaders to Attend

Mr. and Mrs. J. Frank Baker of Montevallo, Route 1, have been selected to receive one of the five master farm and farm family awards for Alabama, this year, by the Progressive Farmer of Birmingham. This, we believe, is a distinction and commendation for our county and this section of our state.

We are inviting you and your family to be present along with a number of other citizens and their families to honor the Baker family for their fine achievement on Wednesday, July 24, at 10 a.m. (standard time). This celebration will be held at their residence on Montevallo Route 1, located two miles west of the Montgomery-Birmingham highway in the Dargin community.

We are arranging a program for the occasion. In the forenoon we will visit points of interest on the farm, such as the crops, pasture, dairy, etc., and the home. At noon we are to have an old time basket dinner. In the afternoon we will have some short talks and other items on the program at which time a representative of the Progressive Farmer Company will make the Master Farmer award. We are planning to have Mr. P. O. Davis, director of the Alabama Extension Service, Auburn; Miss Etna McGaugh, state home demonstration agent, Auburn; Miss Sallie Hill of the Progressive Farmer staff, Birmingham, and others who will make short talks.

We are asking each family to bring a basket dinner that will be spread on a table to be provided at the noon hour.

It is requested that everyone arrive at the Baker home at as near 10 a.m. as possible in order that the program can get under way promptly. — Marion Cotney, Home Demonstration Agent, A. A. Lauderdale, County Agent, W. M. Clark, Assistant County Agent.

## Second Session Of Summer School Begins Today

## WISHED IT WERE, PERHAPS

In the Civic Club story last week it was stated that the Aldrich meeting would be held Wednesday, August 7.

This was a slip of the tongue. It should have read the August meeting will be held Wednesday, August 7, implying that the club will have only one meeting in August. The regular schedule of two meetings a month will be resumed in September.

Maybe we said the Aldrich meeting because of our subconscious wish that we might have another such pleasant occasion there as we so much enjoyed a while back.

## Mrs. Owens, Mrs. Selman Honored

Mrs. Arthur Owens and Mrs. Joseph Owens delightfully entertained at eight tables of bridge Wednesday afternoon honoring Mrs. James K. Owens, of Gordo, who is their guest and Mrs. John Selman (nee, Mary Watson).

The home on North Three Notch street was beautifully decorated with choice cut flowers artistically arranged in baskets and bowls making a lovely setting for the card contest.

After a spirited game the high score prize, a box of dusting powder, was awarded to Mrs. Joe Tom King. The honorees, Mrs. Owens was given silk hose, and Mrs. Selman, toilet water.

The hostesses served delicious sandwiches, nuts, and punch to the following: Mesdames James K. Owens, John Selman, Hamilton Jones, Pete Green, Thomas Abernathy, Lacy Rose, Clyde Sellers, Joe Tom King, Ralph Kilpatrick, O. B. Cottle, Hugh Starling, Henry Ben Wood, George Miles Freeman, Erastus Hanchey, Bill Murphree, Glenn Rose, Dan Gibson, Earl May, Frank Herlong, Chester Beck, Charles McKinnon, Grady McPherson, T. D. Cowles, Frank Kuhn, Alfred Vaughn, Winfred Henderson, Eric Ballard; Misses Lois Rainer, Annie Hendricks Barr, Annette Boswell, Elizabeth Selman, Olive Ogletree, Alice Dunbar, and Ann Key Murphree.—From The Troy Messenger, Troy.

## LEGION AUXILIARY

The American Legion Auxiliary will meet Thursday afternoon, July 18, at 4 o'clock at the home of Mrs. W. M. Wyatt.

Mrs. O. C. Ambrose is the guest of her sister, Mrs. Harvey Jackson, in Jasper for a few days.

## NECK AND KNEE WASHING ISN'T SO BAD

WE kind of like being clean now that we have an electric water heater at our house—there's always plenty of hot water!

Pop likes it too, for shaving and a hot shower to cool him off when he gets in a sweat from something Mother's gotten him to do around the house. He can jump into the tub without having to build a fire and wait for the water to heat.

Mom's crazy about our electric water heater—all the hot water she wants whenever she turns the faucet—without any mess or waiting.

### INSTALL AN ELECTRIC WATER HEATER

MAJORITY OF SICK NEVER  
SEE INSIDE OF HOSPITAL

Those Suffering Most Go Through Life Enduring  
Needless Agony and Misery Without Medical Aid.

An auto accident—a broken leg—the screech of ambulance—the patient is taken to a modern hospital—a short period of suffering and pain and then three weeks of luxurious attention.

There are millions of people who are in a lot worse shape than this accident victim, who never see the inside of a hospital. Some of them have gone for years suffering the agony and misery which often accompanies a run-down system, especially when sluggish digestion, incomplete elimination of poisonous wastes, lack of red coloring matter in the blood cells, and jumpy nerves due to Vitamin B-1 deficiency are making a wreck of their lives.

If these conditions are allowed to continue indefinitely they may turn to serious organic troubles requiring lengthy and expensive treatment by the best doctors, but if these conditions prevail and are not due to organic troubles, the new and improved Sargon General Tonic is just what is needed.

Sargon must not be confused with old-fashioned tonics limited

CHRISTIAN SERVICE SOCIETY

The Christian Service Society met Monday afternoon at the Methodist Church at 3:30. Mrs. L. C. Parnell presided over a short business session. The program was opened with the hymn, "Oh, Worship the King." Mrs. W. D. Jackson led the discussion of "Our Human Heritage." The meditation, "All One Body, We," was given by Mrs. M. L. Orr. The missionary topic, "Human Heritage in America," was given by Mrs. Brewer Carpenter. The program closed with the singing of the hymn, "Faith of Our Father."

The social hour was enjoyed with Mesdames W. C. Weems, Sudie DeShazo, and C. L. Martin.

BAPTIST CHURCH

The revival services will continue throughout this week, with services at 10 a.m. and 8 p.m. each day except Saturday. The services Sunday will be at the usual hours, 11 a.m. and 8 p.m. Dr. Adams is bringing very forceful and vital messages and those who attend are receiving great blessings. We invite everyone to come to all the services. Invite your neighbors and friends to come with you. Pray for the services.

KIDNEY STAGNATION  
IS WORSE THAN  
CONSTIPATION!

Because We Treat Constipation at  
The Onset, While We Neglect  
Our Kidneys Indefinitely

No other organ in your body is of more importance than your kidneys. For in your kidneys there are nine million tubes which must work day and night to filter the fluids and keep the system free from wastes, acids, poisons which, if permitted to remain, may cause serious kidney and bladder troubles.

It is no wonder then that Nature often calls for help to clean out the kidneys. So if you are troubled with Getting-Up-Nights, Leg Pains, Backache, Nervous Headache, Dizziness or Loss of Energy, due to functional kidney disorders, try KIDANS, the famous kidney remedy, which aids Nature to flush out the kidneys, to filter all wastes, to prevent kidney stagnation.

KIDANS is Safe and Reliable. Thousands report entire satisfaction. Taken according to directions, KIDANS will give splendid results. Try KIDANS. Buy it at our Special Price Offer on two boxes. Use one box. If not satisfied, return unopened box and GET YOUR MONEY BACK.

## Automobile Wreck Fatal To Ollis Mills

Miss Ollis Mills, 18, was killed and two others injured in an automobile accident which took place about 12 miles southeast of Clanton on the Clanton-Rockford highway about 10 p.m. Saturday.

John Dickey, Jr., 21, driver of the car, suffered severe head injuries with a possible skull fracture. John Carson Eiland, 21, of Verbena, received minor injuries on his right leg and hip.

The occupants of the car, headed towards Rockford, had started on a carefree birthday celebration for Mr. Dickey. He is employed by the FSA in Columbiana. Mr. Eiland is a junior at Alabama Polytechnic Institute, Auburn, and had been Mr. Dickey's roommate there.

The car ran off the road at the Mitchell Dam cut-off and overturned. Both Mr. Dickey and Miss Mills were thrown from the automobile, Miss Mills being thrown over 100 feet. Mr. Eiland was sitting on the back seat and when the accident was discovered he had escaped from the wrecked car. Attaches at the Clanton hospital where the victims were taken for treatment reported that Miss Mills died of internal injuries and a possible broken neck about one and one-half hour after the accident.

Miss Mills, a native of Washington County, had lived in Montevallo for the past eight years. She was a junior at Alabama College. Surviving are her mother, Mrs. M. O. Mills, Montevallo; her father, M. O. Mills, Ocean Springs, Miss., and a sister, Mrs. Sidney Smith, Rose Hill, Miss. Funeral services were held at Chatom Monday at 2 p.m., interment by Brown-Service.

## Montevallo Scouts Attend Camp

A group of Boy Scouts of Montevallo are this week attending the state Scout camp at Lake Harris, about 16 miles from Tuscaloosa. The camp is situated on a 25,000-acre government forest reserve. Lake Harris furnishes the city of Tuscaloosa its water supply. Cards from several of the boys have reached us with glowing tales of grand times. Every advantage and consideration is being shown them, with special instructors giving instructions in swimming, forestry, camp life and many other interesting subjects. The staff also includes a physician, registered nurse, and several life guards.

Those from here attending are: Fouts Parnell, Pat Wyatt, Robert Edward Lyman, Edward Davis, Paul McCrary, E. G. Smitherman, Jr., Billy Ray Hartley, John Shores, Buddy Farlow, and Stoddard Waller. Donald Vaughan is in charge of this group.

If anyone can furnish a car to return these boys to their homes Sunday, please see Dr. W. D. Jackson.

### B. P. W. TO MEET

## Baker Family Receives Master Farm Award

Mr. and Mrs. J. Frank Baker, of Montevallo Rt. 1, yesterday were presented one of the five "Master Farm Family" awards in the state. The presentation program was attended by a large number of friends and farm leaders.

One of the most interesting events on the program was the tour of the Baker farm. The many friends and guests of the Bakers who attended were taken through the home for an inspection of the home-made building. Mrs. Baker drafted the plan when she was a child of six years. The same plans won first prize in a high school contest in Anniston. A few changes were made, such as placement of windows, doors, and built-in features. The house was decorated entirely by the Baker family. There are five bedrooms with large closets and two baths on the second floor. The first floor consists of a large living room, dining room, kitchen, family living - dining room, den, bathroom and two screened porches. Outside of such features as plumbing, the house was built entirely by farm labor.

At the dairy barn the visitors were shown modern methods of dairying. Some of the equipment of the dairy barn includes 10 single unit electric milking machines, six 140-ton capacity silos (concrete stave), feed room and mixing machine, cooling machine, bottling machine, and wash room. This is only part of the equipment necessary for quality milk production.

The tour also included visits to the fields and inspection of the crops, livestock, pastures, and the tenant house.

Features of the afternoon program were addresses by P. O. Davis, director of the Alabama Extension Service; Miss Etna McCaughy, state home demonstration agent; Miss Sallie Hill, editor of the home department of The Progressive Farmer; Dr. A. F. Harman, president of Alabama College; Miss Marian Coney, home demonstration agent; A. A. Lauderdale, county agent. Presentation of the award was made by Mr. Alexander Nunn, managing editor of The Progressive Farmer.

### FARMERS TO HOLD ANNUAL PICNIC

The Shelby County Farmers' Union will hold its annual picnic Saturday, July 27, at Burgin Spring, three miles north of Montevallo on the Siluria Road, beginning at 10 a.m. Several speakers are expected and music and other entertainments will be features of the program. The public is invited to attend. Come out, bring your basket lunch, and let's have a good time together.

Miss Marjorie Turner, of Donaldson, Ga., is the guest of Miss Abi Russell for several days.

Mrs. C. F. Towery and her little granddaughter, Mabel Towery, of Opelika, are the guests this week of Mr. and Mrs. G. T. Towery.

### YOU ARE NEEDED!

Only the entire citizenship of our town can make the efforts of the Town Forum worthwhile. We can begin in a small way right now to do some of the things that will make our town more interesting and prosperous. Your ideas are needed. Reserve Thursday evening for attendance at the meeting at the Baptist Church at 8 o'clock (Daylight Saving Time). Let's all meet and trade ideas. Come and bring at least one friend.

## Towery Moves To New Location

Mr. G. T. Towery announces this week that Towery Motor Company has moved into their new building at the old cotton mill site on the Calera highway. Mr. Towery says, concerning the new location:

"We are now equipped and ready to give our customers the same first-class service at our new location. All automobile owners will find our garage and filling station capable of supplying their every automobile need. We cordially invite the public to visit our new, large showroom, and we ask that our friends continue to patronize us as they have done in the past.

"We guarantee courteous and dependable service in all phases of the automobile business."

### LEGION AUXILIARY MEETS WITH MRS. WYATT

The American Legion Auxiliary met Thursday afternoon at the home of Mrs. W. M. Wyatt. This was the regular business meeting. Mrs. P. D. Pendleton, president, presided over the meeting. Delegates and alternates were appointed to attend the state convention in Birmingham July 28, 29, and 30. The delegates chosen are Mrs. Pendleton, Mrs. J. L. Appleton, Miss Sally Hooker, Mrs. M. P. Jeter, Mrs. W. M. Wyatt, and Mrs. Lena Duran. Alternates are Mrs. S. R. Woolley, Mrs. L. D. Gilbert, Mrs. P. N. Lee, Mrs. R. P. Holcombe, Mrs. A. B. Chappelle, and Mrs. A. E. Baumgartner.

Daisies, roses and other summer flowers were used effectively in the living room. During the social hour delicious salad plates with iced tea were served to the members present.

### BAPTIST REVIVAL

The revival at the Baptist Church closed Sunday night, services having been held throughout last week. Dr. W. W. Adams, professor of New Testament interpretation in the Eastern Baptist Theological Seminary, Philadelphia, was the visiting minister. He gave very clear, interesting and forceful interpretations of many scripture passages, and those who heard him were greatly helped. Quite a number of the Montevallo people attended the services and a bus load from Calvary Hill community came in each night. We are deeply grateful to all who cooperated in the services in any way.

## Farm Security Office Is Now Receiving Applications To Buy Tenant Farms

### Martha Terry Is Named Assistant Home Agent

Auburn, Ala.—Effective August 1, Miss Martha B. Terry, daughter of Mrs. H. A. Terry, Greensboro, will become assistant home demonstration agent of Escambia County with headquarters in Brewton, announces Elizabeth Forney, district home supervisor of the State Extension Service.

Miss Terry is a recent graduate in home economics at Alabama College.

While in college she was secretary of the Student Government Association, president of the senior class and made "Who's Who" among students in American colleges and universities.

## Vernon Reunion Held At Brierfield

The annual reunion of the Vernon family was held at Brierfield Sunday, July 21, with all six brothers and their only sister present. Present also were 135 children, grandchildren, great-grandchildren, and 59 visitors and relatives of the family.

A basket lunch was enjoyed by all present, and some members of the younger generation enjoyed an afternoon swim in Brierfield Creek. The business meeting was opened by W. S. Vernon of Summit, and all officers were re-elected. A collection was taken up to pay for lumber to build tables before the next meeting which will be held at Brierfield on the third Sunday of July, 1941.

### MISS TURNER HONORED WITH BRIDGE PARTY

Miss Marion Jones-Williams entertained Tuesday evening with a bridge and Chinese checker party in honor of Miss Marjorie Turner. After a series of games a delicious salad plate with Coca-Cola was served to the following guests: Miss May Lyman Woods, Nell Wooten, Gene Lewis, Ann Glass, Elvie Lawson, Birdie Margaret Moorer, Celia Methvin, Margaret Reddoch, Mary Grace Orr, Carolyn Thaggert, Helen Watt, Dorothy McAllister, and the honoree, Miss Marjorie Turner.

We have been notified by James N. Dennis, county RR supervisor, Farm Security Administration, that his office is now accepting applications to buy farms under the Bankhead-Jones Farm Tenant Act.

It is very important that all tenants, sharecroppers and farm laborers who are interested in being considered for one of these loans should file application in the near future. Forms and applications may be secured at the FSA office in the old court house on the second floor, at Columbiana.

Seven loans were approved in Shelby County for the fiscal year 1939-40 for approximately \$21,000. This amount includes the option price and necessary repairs and improvements. An appropriation has already been made for buying more farms this year (July 1, 1940, to June 30, 1941).

Each application received is given careful consideration by a committee of three Shelby County farming who are themselves former tenant farmers. The loans made under this program are made over a 40-year period at 3 per cent interest, says Supervisor Dennis.

No land is approved for purchase, he said, where the probable income as determined by the farm and home plans, carefully worked out with each farmer, does not provide a sufficient margin, good living and loan repayment requirements to justify an adequate dwelling and other buildings. In most cases, he pointed out, the annual payments, including interest and insurance, are less than usual rentals for farms with good land and good buildings.

All services of the Rural Rehabilitation Program of the Farm Security Administration are made available to tenant purchase farmers, who, through ownership are enabled to plan operations on a long-range basis.

### DR. VAUGHAN ATTENDS WORK- SHOP AT CHICAGO

Dr. A. W. Vaughan, head of the English department of Alabama College, has been awarded a scholarship to the University of Chicago to participate in a workshop in general education at the college level. Dr. Vaughan left Monday to remain at the university for a period of five weeks. The workshop in general college education consists of 150 selected college representatives from leading institutions of the country.

## WHY NOT LET 'EM BOLT?

Evidently reading the wistful dailies and listening to the public talk, our always salty editor of The Greensboro Watchman says:

"If you are thinking of bolting the Democratic Party by voting for Willkie next November, don't do it. Bolters fare badly in Alabama, and one never lives it down."

It appears that a lot of people are doing that thinking to which Editor Yerby refers. There can be no doubt as to the sound basis for his advice, yet we believe that it is a bad thing for Alabama voters to suffer this sort of intimidation.

While we are Democratic both in name and in principle, and we should dislike to see a Republican victory either in Alabama or the nation, we object to the use of any sort of blackjack for the purpose of keeping in line Democratic voters who honestly want to change over.

And that goes for the Republicans of the past who may be seeing the light (Democratic) in 1940. So far as we are concerned, they shall not be penalized just because of their past sins.

And why should free Americans, in Alabama, or anywhere else, be damned for changing their minds? It's under the dictators that a man must think only one way for life!

The fact is that Alabama would be better off if there were a Republican threat. Then our Democratic national leaders would show the same concern for us that they show for doubtful northern states.

In addition, some of our lackadaisical Democratic Party officials would take more interest in seeing that the party machinery operated honestly and efficiently.

So if some of the unhappy Democrats feel froggish and want to hop, Editor Yerby, why just let them plop into the Republican pond. They won't do any harm there, and it might do Alabama good if they make a loud noise!—Anniston Times.

## TREAT THE GUARD RIGHT

Please, will some employers kindly take to making life a little easier for National Guardsmen on their pay rolls?

Most employers, we believe, treat these men fairly; but some don't. Some make it as tough for them as they can, within the law, when it comes to granting time off to attend camp, overlooking minor slips on a day after a strenuous evening of drill, and so on.

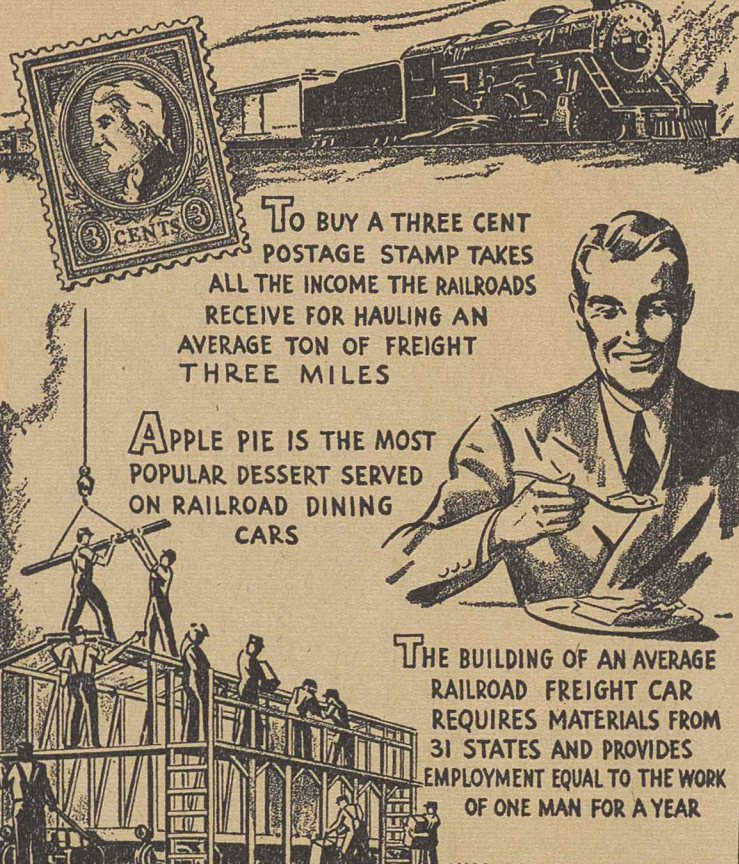

Such treatment is dirty business in the quietest of peace time. It is unpatriotic, to put it mildly, in times like these.

After all, the members of the National Guard, (250,000 men and officers) are trying to learn how to put up a fight for the country in which their employers live and do business, in case of necessity for such a fight ever arises. The least any employer can do, it seems to us, is to stretch various and sundry points here and there in these men's favor, as a means of making them feel that their country is worth fighting for.—Collier's Magazine.

## WHILE THE CAT'S AWAY THE MICE WILL PLAY

'Scuse us if the paper isn't up to par this week, 'cause the boss is away. We are expecting to hear some fish tales when he returns. Mr. Wyatt and Jimmy left Sunday morning for a fishing trip to Perdido Bay. They are planning to join the Press Association tour in Fairhope Thursday and attend the Association in Mobile for several days. Dr. O. C. Lawrence and son, Owen, Jr., of Clanton, accompanied them.

## SUNNY DAYS

These sunny days have brought with them improvements and a new appearance to several places in town. Shelby Street is among the first to wake up with a new coat of paint on the home of Mr. and Mrs. H. E. Latham. The former Reynolds home is taking on new life with Mr. R. B. Hicks in the rose garden cutting grass and giving the yard a general cleaning. Mr. and Mrs. Hicks hope to move in soon, having purchased the estate.

Lawns are again shipshape after a period of neglect due to the rainy weather of the past few weeks.

Keep it up! We have one of the most beautiful small towns in the state, so let's keep it that way.

## A CARD FROM THE BOSS

Wednesday morning the office force received a card from the Hon. W. M. Wyatt, who is fishing on the coast. The contents of the card say, "We are having a fine time." For some reason or other the fish tale is short, just "No fish yet, will try again tomorrow." Bear with us and we bet we'll have a whopper to relate next week.

Mr. and Mrs. Sam Klotzman and children, Harry and Frances, spent Thursday and Friday with Mrs. Klotzman's parents, Mr. and Mrs. J. B. Margulis, in Montgomery.

# What It Takes for Dependable Electric Service In the Country

WHAT is needed first is a dependable source of power. Such a source of power is that of Alabama Power Company, which, along with supplying the needs of its own rural customers, also supplies electric power to many rural electric cooperatives in Alabama.

Next—well-constructed and well-maintained lines. Then an organization, placed at suitable locations, ready to "shoot trouble" when trouble comes, as it occasionally does.

We have such an organization. As a result most of our rural customers enjoy electric service of a quality comparable to that in thickly populated urban centers.

As improvements in the art of distributing electricity develop and are proven, they are incorporated in the rural lines we build.

Our rural engineers will be glad to discuss with you the many profitable uses of electricity on the farm.

## O. M. Perry Buys Farm Under FSA Farm Tenant Act

A 65-acre farm was purchased last week by Mr. O. M. Perry of the Bethel community. Purchase of the farm was made possible by the tenant purchase program of the Farm Security Administration. That agency lent Mr. Perry the money to buy the farm and to add needed improvements. Mr. and Mrs. Perry and their four children are now living on the farm. Improvements will include screened porches, painting, land improvements, and fences for pasture.

Mr. Perry will have 40 years in which to pay the government for the money borrowed. He will follow a live-at-home program, with cotton, poultry and general crops for cash income. The loan entitles the farmer to advice from the county FSA supervisor as to good farming practices. James N. Dennis is the county supervisor and his office is located at Columbiana in the old court house building.

Legion Asked To Aid In Marine Corps Enlistment

The following letter from Captain D. A. Holladay, of the United States Marine Corps, has been received by the commander of Hendrick-Hudson Post of the American Legion:

"No doubt every Legion post in the country is being deluged with pleas for aid in various causes. Nevertheless, I am confident that the aid I am about to ask for will be forthcoming from every post, since it concerns a vital part of the plan for preparedness now under way.

"To be specific, I ask that Legionnaires in Alabama forward to this office the names and addresses of young men who they believe would be good material for the Marine Corps, and who might be interested in military service, in order that we may send them application blanks and descriptive literature. Samples of the literature it is desired to send prospective applicants are enclosed herewith. If you, as Post Commander, will enlist the aid of the members of your post in doing this, it is probable that a considerable number of enlistments will be effected as a result.

"As you probably know, the Marine Corps has been authorized an increase of 9,000 men, and it is imperative that this number be enlisted as soon as possible, in order that we may have trained men competent to handle the machines and weapons being furnished the

armed services, as soon as they are delivered.

"The undersigned was wounded in the last war and retired for disability, and was called back to active duty as recruiting officer in September. I have been a member of the Legion since 1919, and am at present a member of General Gorgas Post No. 1. This being the case, I am sure that all my former buddies will help me make Marines out of large numbers of young Alabamians. — Fraternally yours, D. A. Holladay, Captain, U. S. Marine Corps, Ret'd, Officer in Charge."
